Motion was made by Mike Lening, seconded by Howard Robertson to adopt the Resolution for Licensing of the Ambulance Service from January 13, 2022 to January 13, 2023, to wit: All commissioners voted affirmative.

RESOLUTION FOR LICENSING AND INSPECTION FOR AMBULANCE SERVICE

On the 11th of January, 2022 the following was adopted.

BE IT HEREBY RESOLVED, the 31st day of January, 1995, the Resolution for Licensing and Inspection of Ambulance Service was amended by the Board of County Commissioners of Kiowa County Colorado, the following:

That the prior Resolution entitled "AMBULANCE-PERMANENT LICENSING RESOLUTION", dated January, 1978 and any subsequent resolutions were hereby repealed.

That pursuant to the provisions of 1973 C.R.S. 25-3.5-301, as amended, no entity may provide ambulance service publicly or privately in this state after January 1, 1978 unless that person holds a valid license to do so issued by the Board of County Commissioners of the County in which the ambulance service is based.

That the Board of County Commissioners of Kiowa County has established an ambulance service licensing authority effective March 31, 1986, with the following provision:

Any entity who is desirous of providing ambulance service either public or private in the State of Colorado and whose service will be based in the County of Kiowa and who is desirous of continuing to provide such service after the effective date of this resolution shall make immediate application to the Kiowa County Board of County Commissioners.

County Health Officer shall prepare, under the Board's supervision, a short application form, which shall be furnished by the County Clerk, upon request, to any person seeking to be licensed under this Resolution.

The application shall provide the following information to aid the Board in its licensing determination:

- (a) Name, address and telephone number of entity desiring to be licensed.
- (b) Description of each ambulance, including make, model, year of manufacture, Colorado State license number, motor vehicle chassis number, and length of time vehicle has been in service.
- (c) Location and description of place or places from which ambulances service will operate.
- (d) A statement indicating that each ambulance contains equipment which meets or is equivalent to the minimum equipment list established by the State Advisory Council on Emergency Medical Services, and approved by the State Board of Health.
- (e) A statement indicating that each ambulance driver has a valid Colorado Driver's license along with a Defensive Driving/Emergency Vehicle Drivers Course and a County Emergency

Medical Vehicle Driver's permit.

(f) A statement indicating that each ambulance attendant, other than the ambulance driver, has an Emergency Medical Technician Certificate or a Registered Nursing Degree issued by the Department of Health, or is a member of the "Quick Response Team" or as otherwise provided by State Statute.

(g) A statement indicating that each ambulance is covered by the provisions of the Colorado Auto Accident Preparations Act.

(h) A statement listing the name, address, and curriculum vitae of the Physician Advisor to the ambulance service.

(i) A certificate issued from Kiowa County Hospital District, Eads, Colorado, indicating their approval of the applicant's qualifications. Approval shall be granted or denied based on a set criteria established by said hospital.

Ambulances will be inspected as set forth in the EMS Resolution, and any other time deemed necessary by the ambulance coordinator. Any necessary repairs will be made at that time. For each ambulance, a certificate of inspection no older than 90 days will be submitted with the ambulance permit application.

Each entity desiring to be licensed under this Resolution shall have a Physician Advisor who established protocols for medical acts performed by E.M.T. or paramedics of a pre hospital emergency medical servicing agency and who is responsible to assure competency of the performance of those acts by E.M.T. and paramedics in accordance with the "Acts Allowed" by the Colorado State Board of Medical Examiners.

The Board, upon finding that the information and statements requested in the application form have been completely supplied and upon determining that such information and statements are sufficient indication of the applicant's compliance with the ambulance service license, together with the appropriate number of ambulance permits to such applicant a license shall be issued and valid for twelve months following the date of issuance.

Any license, unless revoked by the Board of County Commissioners may be renewed by filing an application identical to the original application for such license. Applications for renewal shall be filed annually, but not less than thirty days before the date the license expires.

No license or permit issued pursuant to this section shall be sold, assigned, or otherwise transferred.

Upon a determination by the Board of County Commissioners that any licensed entity has violated or failed to comply with any provisions of this Resolution, the Board may temporarily suspend for a period not to exceed thirty days, any license or permit issued. The licensed entity shall receive written notice of such temporary suspension, and a hearing shall be held no later than ten days after such temporary suspension. After such hearing, the Board may suspend any license for a portion of or for the remainder of its life. At the end of such period, the licensed entity whose license or permit was suspended, may apply for a new license or permit as in the case of the original application.

Upon second violation or failure to comply with any provision of this Resolution by any licensed entity, the Board of County Commissioners may permanently revoke such license.

Dated this 11th day of January, 2022

KIOWA COUNTY BOARD OF COMMISSIONERS

Chairman

Commissioner

Commissioner

ATTEST:

Clerk to the Board

Motion was made by Howard Robertson , seconded by Mike Lening to table the following Intergovernmental Agreement for Ambulance/EMT Services for the year 2022 for revision and review by the County Attorney, to wit: All commissioners voted affirmative.

INTERGOVERNMENTAL AGREEMENT FOR AMBULANCE/EMT SERVICES

THIS INTERGOVERNMENTAL AGREEMENT, entered into this ____ day of _____, 2022, by the BOARD OF COUNTY COMMISSIONERS OF KIOWA COUNTY whose address is P.O. Box 100, Eads, Colorado 81036, hereinafter called and referred to as “County”, and the BOARD OF TRUSTEES OF THE KIOWA COUNTY HOSPITAL DISTRICT whose address is 1208 Luther, Eads, Colorado 81036, hereinafter called and referred to as “Hospital”,

W I T N E S S E T H:

WHEREAS, The County deeded various ambulances and related medical equipment contained therein to the Hospital for the operation of Ambulance/EMT services, and

WHEREAS, Hospital is desirous of operating an ambulance/EMT service as part of its function as a County Hospital, and

WHEREAS, both parties are willing to enter into an Intergovernmental Agreement to define their respective rights, duties and obligations of both parties, one to the other, as the same concerns the operation of an ambulance/EMT service, and

WHEREAS, pursuant to C.R.S. 29-1-201, *et. seq.*, it specifically allows any government including but not limited to counties and county hospitals to enter into intergovernmental agreements to cooperate or contract with one another to provide any function, service or facility lawfully authorized to each of the cooperating or contracting units,

NOW, THEREFORE, that for and in consideration of the following acts, covenants, conditions, doings and things both parties agree to as follows, to-wit:

1. County has deeded to Hospital for the usage, operation, and possession of four (4) of County’s ambulances, exclusive of a haz-mat ambulance, as of July, 2017.
2. The Hospital shall provide for the service and repairs of their ambulances.
3. Further, the Hospital shall hire a qualified director to bring the ambulance/EMT service up to standards as required by the State of Colorado. The County shall further assist Hospital in obtaining grant monies to operate such services or to procure ambulances.
4. The Hospital shall provide motor vehicle insurance on said ambulances.
5. In consideration of Hospital agreeing to operate the ambulance/EMT service within Kiowa County, County agrees to remit to Hospital for the year 2022 the sum of One hundred fourteen thousand one hundred and forty dollars (\$114,140) which sum is derived as follows:
 - a. The first part of funding shall consist of the monies received from the County Hospital Fund created by the County and designated for ambulance/EMT services, which both

parties agree for the year 2022 to budget the sum of One hundred fourteen thousand one hundred and forty dollars (\$114,140). As long as this agreement is in effect, this provision shall supersede any other pre-existing County and Hospital agreements involving ambulance and/or EMT services. If this agreement is terminated then the funding provisions will terminate also.

b. The second part of the ambulance/EMT service funding shall consist of all EMS subsidy fund monies(RETAC Grant) received which amount both parties anticipate shall approximate the sum of Fifteen Thousand Dollars (\$15,000.00). These monies shall be spent in accordance to the provisions and terms of the fund.

c. Both parties further agree to re-evaluate aforementioned manner of funding in the event there is a material change in assessed valuation or the EMS subsidy(RETAC) grant or profit and/or loss of operating the Ambulance/EMT Service.

d. County shall remit the above funds as they become available and requested by the Hospital throughout the year to sustain the operation and maintenance of the ambulance/EMT service but in no event shall County be responsible for remitting additional sums to Hospital in excess of those monies actually generated by the County through levy, grant, fund balance or otherwise.

6. The Hospital shall furnish all drivers, EMTs and physicians necessary to properly and adequately operate said ambulance/EMT service within the County of Kiowa, State of Colorado and shall bear all expenses involved in training and maintaining said personnel. Further, County Hospital District shall provide workers' compensation and liability insurance covering the EMTs and drivers as well as the operation of the ambulance/EMT services.

7. Hospital further agrees to comply with all federal, state and local laws, statutes, rules, and resolutions involved in operations of an ambulance/EMT service.

8. Hospital shall furnish to County annual financial reports prepared according to generally accepted accounting procedures.

9. Hospital agrees to furnish to County any costs associated with the use of EMS Ambulance and EMS Ambulance Personnel during the Kiowa County Fair.

10. This agreement automatically renews each year on the anniversary date.

11. Either party may terminate this agreement with or without cause upon 270 days written notice to the other party.

12. It is understood that the County is not legally required to provide ambulance/EMT services and is offering financial support to the Hospital to help ensure the provision of this vital service to the residents of Kiowa County.

IN WITNESS WHEREOF, the parties hereto have executed this Intergovernmental Agreement on this _____ day of _____, 2022.
