

The Eads driver license office is not a full service office and can only do driver license and State ID renewals only. For all other services you will have to go to a full service driver license office.

Driver license that have not expired or are expired LESS than one year may be renewed here. If your license is expired over one year you will have to go to a full service driver license office and take the written test and the driving test to renew your license.

If your license is current and you do NOT have an address change no further documentation is required.

If your license is current and you HAVE an address change, you will have to provide documentation from the list below BEFORE your license can be renewed.
